## Splashing Around

KIJ has been invading Whitstable sea-front for fun packed days of sailing and power boating.

I went down to check out the action on Sunday. The sun was out and the scouts vantage of being at the seaside, having a go at sailing and power boating while also spending time relaxing on the beach with ice creams.

With little wind the sailing boats, from the small Wanderer, to the larger Gig boats took a more leisurely pace on the water. For some from 1st Caterham Scouts this was just perfect, "This was my first time sailing and I found it really relaxing, I would love to do it again."

For those wanting a more fast and exhilarating experience, power boating was the activity for them. I spoke to some scouts from 9th Deal, Ash said

"I like being able to drive the power boats, we went really fast it was very cool." The participants

mostly cruise along and also get to have a go at driving the power boats. For some of 2nd Tenterden scouts this was their "favourite bit of KIJ so far, even if we did get really wet."

With a mass of boats and smiling scouts trying out new experiences and having a great time, it was certainly a fun day out on the water. There is also the opportunity to do kayaking and rafting at Faversham.

### Highlights

9:00am - 5:00pm :

Knowledge - Sub camp Day

Environment - Onsite Activities

Nationalities - Water Activities

Tolerance - It's a knockout

## Fun and Games in the Arena

Throughout the Jamboree, hundreds of activities have been put on down in the valley on the activities field. We checked out some of the

also climb the rock climbing wall and reach great heights, abseil back down, or crate stack, where you try and stand on the highest stack you can before it topples. There's up to 33 crates to stand on, balance and concentration is a must!

There's even a blow up "Laser Quest" arena where you run through the black tunnels and fire at your opponents. If you'd like to chill out instead, there's encaustic art waiting for you. It involves melting wax to create beautiful pictures. Whatever you feel like, there's an activity for you in the arena.

### A big Scout Hello!

To Alana, Ben, Chris and Steve from Mote Park (Tolerance) were invested on their sub camp day Emily and Elise from Raptour Explorers (Knowledge) were invested on 'It's a knockout'! Welcome guys!

On Wednesday in the international cafe there will be a Malta stall so head along to try new food and learn about a different culture!

activities that were popular on sunny Monday afternoon.

Up at the top of the hill we found the "Sub Aqua" team, where they teach you to scuba dive. Pulse met Ryan, 12, from Bournemouth, who said, "I've been doing it all day, I've done it 3 times!" Ryan was looking forward to looking into doing more scuba diving when he gets back home thanks to enjoying it here at KIJ.

Up by the "Sub Aqua" team we found the Kent Marine Police here for one day only. Richard Smith was here for the day to explain what they did, show people one of their boats and show pictures. Down on the activities field you can

### Well done to...

Graham Holroyd, Stewart Holroyd and James Gilby from Maidstone West District Scouts who were the first people on camp to gain the KIJ Global Explorer Award. Don't forget to earn yours! All the information is in your participant's handbook.

## Participant Articles ...

This is my first Jamboree and so far its good. I have enjoyed hanging out with my friends, chatting and I have also faced my fear of heights by going on the air extreme (never again!) I hope the rest of the Jamboree goes as well as the first part!

A big thanks to everyone who has helped set up and run the Jamboree!

By Ashlie Holmes

On Sunday nationalities sub camp took part in it's a Knockout, 38 teams played against each other to see who was the best. In the morning we played 'dry' games that included dressing someone in tyres and carrying them around a course. In the afternoon we did the games involving water, these involved sliding, slipping and splashing about in a race against other teams. We don't know who won but everyone had a good time and are looking forward to the rest of KIJ.

### Jambo Juniors

Today we had to get into some mini buses, so we could go offsite and go to the Christmas Tree Farm. We didn't stay long in the mini buses, as it isn't far away! When we got

there we all got a bucket of food to feed to the animals, and there was lots!! We saw chickens, sheep, goats, pigs, ostrich, cows and horses, there was even rabbits, guinea pigs, parrots and ferrets plus their babies! All of Jambo Juniors thought the outing to the farm was really fun, as we got to get up close to all the animals and feed them. When we got to the end, we all had ice cream!

By Jambo Juniors

### Birthdays!

Today's birthdays are: Rebecca Gooding (18), Anita Jones, Niall Crawford, Maisie Turner (11), Jordon Coombe (11), Melissa Herron (11), Phillippa Hillman (15), Zoe Pratten (13) and a happy belated birthday to Heather Dower (16) on the 3rd August and Adam Garland (17) on the 1st August. A special message to **Zoe Martin (19)**, who is celebrating the 4th time she's had a birthday at KIJ!
